

Draw a picture of your favorite bug
Look closely at any patterns on the minibeast.
Look at how many legs it has.

What is it?

Where did you find it?
.....

I'm a Mini Beast Hunter

Name:

List the bugs you find!

When Hunting bugs remember to ...

1. Wash hands after touching bugs.
2. Never eat any bugs.
3. Put all bugs back where you found them, carefully.
4. Don't catch any wasps or bees as they may sting you.
5. Handle bugs gently.
6. Don't lift anything too heavy when looking for bugs, i.e. logs or rocks.
7. Do look under small rocks and sticks, but always put them back afterwards.
8. Be careful if you shake any trees for insects that you shake them gently. So not to damage the tree.
9. Always look where your going so you don't hurt yourself.
10. When looking in shrubs be careful and look out for braches and any sharp thorns.
11. Most importantly Have Fun.
12. Don't pick up minibeasts with your fingers (you will squash them or they could sting or bite)
13. Don't damage plants
